

Adventurous Play Experience (APE) is a scrap play project operating throughout the Bradford District.

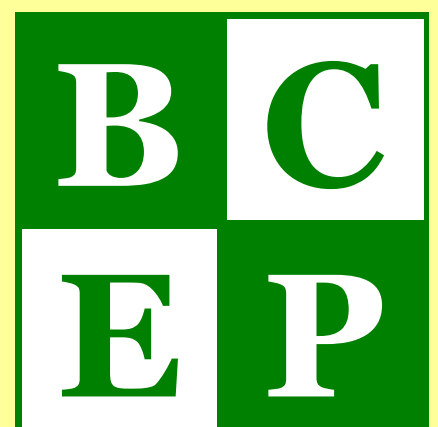

We play with scrap materials which have been reclaimed from local businesses and are put together in play packs.

Scrap materials make great play resources as children can use their imagination and creativity with them in play.

For more information or to make a booking contact the APE team on 01274 223236 or email

info@bcep.org.uk

www.bcep.org.uk

We offer 3 services which are free of charge to settings with children aged 0-18 in the Bradford District;

Play Sessions

We will come to your setting to run a play session using our scrap resources and provide everything needed for the session.

Sessions can be tailored to meet setting needs; this can be discussed when making a booking.

Loan Packs

We can bring you a loan pack of scrap resources to use for any period of time for free.

Delivery and pick up can be arranged so all you need to do is find somewhere to put them and then have fun with the resources!

Training Workshops

We can provide informal training to setting staff should they want to learn more about scrap play and take it forward in their setting.
