

## How to find the Craft and Scrap Store

Eccleshill Adventure Playground,  
off Harrogate Rd,  
Eccleshill,  
BD10 0EU.

This is near Ravenscliffe estate and Greengates.

### **By bus:**

Catch the 645 (Green Line) bus from Hall Ings (bus stop number H2) opposite City Hall.

This bus takes you straight into Ravenscliffe estate. Ask the driver to let you off on Redcar Road by the disused church and the playground.

Walk through the playground with the swings and slides on your right towards a grassy area. Pass the skate park on your left towards the red and white fence. This is the adventure playground and has a sign for 'The Big Swing'. We are located in a building on the playground site at the bottom.

### **By car:**

From Bradford interchange turn left onto the A650 (signposted Keighley, Sipton). At the traffic signals turn right onto the B6381 Barkerend Road and an immediate left onto Otley Road. When you reaching the end of Otley Road turn left onto the A658.

Follow this road signposted for Harrogate for approximately 3 miles until you reach a small lane called Park Road.

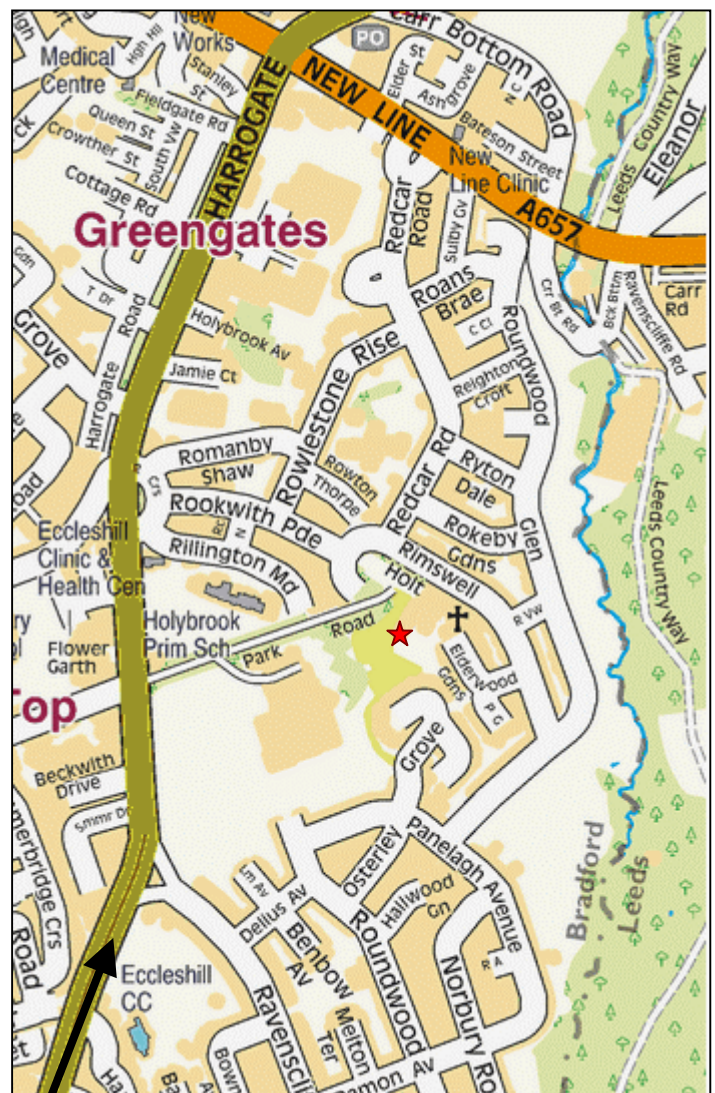

It is on the right, just after a playing field and signposted for NHS Eccleshill Treatment Centre. It is the next road to the right after Ravenscliffe Avenue.

Follow Park Road over two speed bumps, do not turn right into the NHS centre, continue straight ahead. As the road turns into a track follow it to the right and you will see the red and white gates of the adventure playground to the left.

The playground is signposted as 'The Big Swing' at the gates.

Please park at the top of the site and walk down to the store.
