

SCRAP MAGIC

Bradford's Craft and Scrap Store

Local Businesses!!! We NEED your waste

Does your company throw away clean and useful waste that could be re-used?

Scrap Magic recycles waste from businesses in Bradford that can be used for arts, crafts and play. We are looking for any waste that is unusual, versatile, colourful, clean and safe.

Overleaf we have described the types of waste and scrap we typically reuse. If you have something that we have not listed but you think may be ideal, please don't hesitate to contact us.

In addition we want bankrupt and redundant stock of any type that we can pass on without these items going to landfill.

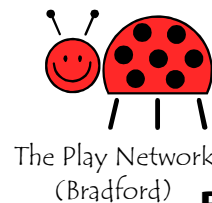

If your company produces any interesting waste we may be able to reuse please contact us.

If you know anyone working for a company that produces interesting waste please pass on our details or let us know.

If you can deliver your waste to us, that's great! If not we can collect from you within Bradford District.

For more information contact Claire on 01274 223236 or 07506 808760 or email claire@bcep.org.uk

Eccleshill Adventure Playground, off Harrogate Road, Eccleshill, BD10 0EU.
