Scrap Magic Hubs

As part of the Scrap Magic work we are required to attend locations across the district with a mobile version of the shop. This is in the hope of serving the community better and to reach places which aren't very close to Scrap Magic in Eccleshill.

If you live or work near one of the hubs please do come along to see us, we can make up large orders ready for collection to save you making a long journey.

Please pass on this information to anyone who may be interested.
