# SCRAP MAGIC

**Bradford's Craft and Scrap Store**

## Training Questionnaire

At Scrap Magic we are planning to provide some free training workshops around the themes of Scrap and Play.

We are planning to run a series of training sessions early next year but would first like to know what our members want.

If you could take the time to fill in this questionnaire and return it to us at store, by email or to BCEP, Unit 13, Carlisle Business Centre, 60 Carlisle Road, Bradford, BD8 8BD, your comments will be appreciated.

### 1. Would you be interested in attending junk modelling and play training at Scrap Magic? (please circle)
